Ken:

25X1A6a In line with our conversation of 18 February, I am listing space information relative to our present occupancy. It is our desire that all Communication personnel, with the exception of the Signal Center and Special Projects Division (FI/Div Support), be placed under "one roof" at the [REDACTED]. The other personnel should remain at Headquarters where they are presently housed.

**HEADQUARTERS**

Ground Floor	A Corridor	2,507	Sq. ft.
	F Corridor	1,476	Sq. ft.
Second Floor	2D Corridor	7,650	Sq. ft.
	2F & E Corridor	2,336	Sq. ft.
Grand total of usable office space at HQS		13,969	Sq. ft.

**AMES BUILDING**

7th and 8th Floors	14,040	Sq. ft.
--------------------	--------	---------

**MAGAZINE BUILDING**

7th Floor	4,750	Sq. ft.
-----------	-------	---------

2nd Floor	5,587	Sq. ft.
-----------	-------	---------

TOTAL	38,346	Sq. ft.
-------	--------	---------

25X1A6a This footage represents the space the Office of Communications now occupies. I have not identified office and other since all the space could be used as office or for whatever is required. (In your planning, don't forget that we occupy 5,587 Sq. ft. in [REDACTED] at present.)

I am attaching the memo re [REDACTED]'s requirements for ACT 2,400. You might think about the 2,507 Sq. ft. on A Corridor, Ground Floor for that, if the consolidation is possible.

Please call me if I can give any other information.
